SIR,

I have the honour to state that owing to the proximity to the Mysore Iron & Steel Works and other Industrial Concerns, building activity has increased on all sides within the limits of the Bhadravati Municipality Land values have appreciated very much and buildings are coming up with great rapidity.

It appears to be very desirable that building operations particularly on the Bangalore-Honnavar Road should be controlled to avoid complications in future I think therefore that it is necessary that the erection of buildings in certain specified areas should be prohibited under section 80 (1) of the Minor Municipalities Act. I am sending herewith a copy of the report received from the President The Municipal Council have, at their meeting held on 25-7-37, agreed to the prohibition of buildings between the Bangalore-Honnavar Road and the Bhadra river and between the same Road and the Iron & Steel Works boundary. I am enclosing a draft notification in this behalf specifying the area to which the prohibition may apply

I request the favour of your obtaining the orders of Government for the issue of the notification

I have the honour to be,
